Many readers of the Pearl of Great Price give the facsimiles in the book of Abraham only a cursory glance before turning to something more familiar and understandable. That's because the facsimiles are Egyptian in nature and do not seem relevant in our modern world of gospel enlightenment. So what is their worth? It is self-evident that we have received no useless and unneeded revelations, said Elder Bruce R. McConkie. All that the Lord does has a purpose and serves a need. A Study Guide to the Facsimiles of the Book of Abraham shows the meaning of every character in the facsimiles and helps readers comprehend their great value. As translated by the Prophet Joseph Smith, they bear witness of the gospel as had by Adam, Noah, and other ancient patriarchs. Appealing to translation, inspiration, and likening, author Allen J. Fletcher brings to light the more mysterious components of the facsimiles, helping us make sense of them in our day and apply their timeless teachings in our lives.

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

To understand the Bible, says Frazee, you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great, overarching purpose that puts the individual stories together like panels in one unified mural. In 31 sessions, The Story video-based group study opens your eyes to God's master plan unfolding in the lives of the Bible's characters and in your own life. Discover the heart of God's Upper Story, and the joy that comes as you align your story with God's. The Story Study Guide and DVD (sold separately) are designed for use by groups of all sizes, including small groups and Sunday school and adult education classes. Designed for use with The Story Adult Curriculum Study DVD (9780310329527) sold separately.
