art across time vol 2 the fourteenth century to the present

Art across Time combines sound scholarship, lavish visuals, and a lively narrative to provide students with a comprehensive, accessible, and engaging introduction to Art History. Popular with majors and non-majors alike, the text offers readers more than a chronology of art by placing each work within the time-and-place context within which it was created. Encountering and interpreting a work of art in context offers the reader the richest possible experience of it. Large scale and high quality visual reproductions of artworks are often presented from multiple perspectives to enhance visual appeal and allow students to view details and elements of composition with greater ease. A thoughtful pedagogical approach helps students consider what they are viewing.

From the Fourteenth Century to the present day, and newly enhanced with the "Core Concepts" CD-ROM, volume two of "Art across Time" presents a manageable survey that emphasizes art in its cultural and social context.

30,000 years of art ¶ one engaging guide. Can't tell a Manet from a Monet? Not sure why you should want to? Let scholar and author Laurie Adams introduce you to the story behind the history of art. Based on her art survey textbook of the same name, this edition of Art Across Time serves as an entertaining and readable introduction to the history of art. Providing biographical notes and historical context, Adams has created a vivid narrative. Each illustration has been carefully reviewed for color accuracy, and the large percentage of full-page reproductions presents a rare opportunity for readers to examine details of brushwork and texture that are lost in smaller images. All in all, this colorful book is an ideal gift that will compliment any library and interest any reader.

Art across Timespeaks to students in a voice they will remember, combining sound scholarship with lively prose enhanced with a lavishly presented program of images. Most of the illustrations are presented in a larger format than in other art history texts to allow students to view details and elements of composition with greater ease and interest.The new third edition offers a variety of improvements, including new visual Connections between works, increased color and architectural diagrams, an enhanced map program to reinforce geographical context, new boxed readings, and a revised art program and text design. Art across Timeoffers readers more than a chronology of art; it introduces political, economic, social, and personal concerns that influence the artists and inform their work, uniquely conveying the ideas, beliefs, and circumstances that inspire creativity. In addition, the illustration program is available to adopting instructors in digital format inThe Image Vault, McGraw-Hill's new web-based presentation manager. Instructors can incorporate images from The Image Vault in digital presentations that can be used in class offline, burned to CD-ROM, or embedded in course Web pages. See www.mhhe.com/heimagevault for more details.

The third volume of one of the greatest novels of the twentieth century Mark Twain's acclaimed new translation of The Guermantes Way will introduce a new generation of American readers to the literary richness of Marcel Proust. The third volume in Penguin Classics' superb new edition of In Search of Lost Time¶the first completely new translation of Proust's masterpiece since the 1920s;brings us a more comic and lucid prose than English readers have previously been able to enjoy. After the relative intimacy of the first two volumes of In Search of Lost Time, The Guermantes Way opens up a vast, dazzling landscape of fashionable Parisian life in the late nineteenth century, as the narrator enters the brilliant, shallow world of the literary and aristocratic salons. Both a salute to and a devastating satire of a time, place, and culture, The Guermantes Way defines the great tradition of novels that follow the initiation of a young man into the ways of the world.

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosphers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

Learn the stories behind each picture. instill in your children a love for the Gods of Europe. \*Updated Version\* Now includes a comprehensive appendix and restored images.

Art across Time seeks to inspire students in their study of art through a combination of large-scale reproductions, extensive use of color photographs, and effective incorporation of contextual material. Large format illustrations, 80% in color, allow students to appreciate delicacies of technique and detail that are lost in smaller or black and white representations. Similarly, the writing emphasizes the motivations and environment of the artists to give students a sense of the intent or purpose of the work. The arts of cultures beyond the West are presented thematically and at points of cross-cultural contact--Japan and the Impressionists and Africa and the European Avant-Garde--in Windows on the World sections. In all, Art across Time, presents the history of art as a dynamic narrative grounded in scholarship, a narrative that is a dialogue between modern viewers and the past.
