If you ever published a Kindle book on the most popular book publishing site Amazon, chances are you also created (or contemplated) a print version of your Kindle book and published via CreateSpace, Amazon's print-on-demand (POD) platform.

Publish your first book now! It's not that difficult as you will soon discover. This Simple Guide will show you how to get your book published. Learn how to self-publish your work whether it be a novel, poems, short stories, recipes or even your family history. It does not matter what you want to self-publish as my Simple Self-Publishing Guide using Createspace and KDP will show you how to go about self-publishing your book for free, there are absolutely no costs involved. To ensure this would be a very easy process for anyone to follow I have used screenshots taken from both Createspace and KDP that present a visual view of my easy to follow instructions. Using my expertise, having self-published twelve of my own books, I have not used complicated technical babble in this simple guide. Instead my instructions are clear, concise and to the point in an easy-to-understand language. I explain in as few words as are necessary how you go about self-publishing your work. There is a saying 'that each of us has a story to tell, ' well now is your chance to put that saying to the test. My Simple Self-Publishing Guide for Createspace & KDP will make the process of self-publishing your very own paperback, and Kindle version if you so choose, very easy indeed. Every aspect of self-publishing is covered from formatting your manuscript, setting margins and inserting page numbers on your document to uploading your file in the correct format. This includes the use of photographs and how to size and format them, so they will meet the technical requirements of Createspace and KDP. Creating a cover for your book using either Cover Creator, the free inbuilt cover designer within Createspace, or uploading your own is also explained in a manner that is easy to understand and execute. Once you have received the Congratulations email from Createspace the guide moves on to explain how to change the paperback version of your book into a Kindle one using Kindle Direct Publishing, an Amazon company. Easy to follow Step-by-Step Instructions An easy to follow index will guide you through every stage of the CreateSpace publishing process including the Kindle version, plus a supplement explaining how to prepare your own photograph as a book cover.

Sell more books on Amazon without spending a dime...That's a big claim, so why should you believe it? The Kindle Store is a powerful marketing machine, designed to sell millions of books. There are lots of levers you can pull to make it work better for your book, but most Independent Authors and Self-Publishers don't do anywhere enough Optimization to make a difference. Maybe it looks too technical and challenging; but it needn't be. You've put a lot of effort into writing your book, so adding just one more day to tune-up your publishing package is a small investment for a potentially huge reward. This book will show you the systematic way to quickly optimize the five critical factors that will determine whether your book is visible or invisible on Amazon. If they find you, they will buy you. New from Rick Smith, Best-Selling Author of "Createspace and Kindle Self-Publishing Masterclass" For the first time, the Top-5 Secret Weapons to Optimize your Book for Amazon are integrated into a clear system that everyone can follow. You choose which ones to use right now and work on introducing the others later, or work right through the book and implement all five steps, then watch your book rise in more Amazon search results. Its an 80/20 process, so if you know which 20% of your effort gets 80% of your results, you can put your energy in the right place and leave yourself plenty of time to get on with writing your next masterpiece. This book will short-cut months of trial and error, and take you straight to the things that really matter. How to Level the Field against the Big Publishers How do the successful Authors and Publishers get their new books noticed? What are the techniques and methods these professionals use every time, to make sure their books show up in more searches, in great positions? In Optimize Your Book for Amazon, Rick Smith lays out a step-by-step plan you can apply to any book... Power up your Search Relevance Increase your Discoverability Create High-Impact Visual Appeal Persuade more people to Look Inside ...positioning you in the best Amazon Search Results, and making your book visible to many more potential buyers. Self-Publishing Masterclass First published in 2013 and now in its Second Edition, Createspace and Kindle Self-Publishing Masterclass has sold more than 5000 copies and has more than 100 five-star reviews on amazon.com. This new book, Optimize Your Book for Amazon, is part of a series which also includes Mile-High Word-Count and Writing Productivity. Rick Smith Writes, Collaborates, and Publishes exclusively on Amazon. Click on LOOK INSIDE to read Chapter One FREE, or download immediately on Kindle Unlimited

Self-publishing is easier than at any time in our history. Amazon allows us to self-publish our book, with zero costs up front. No more writing to publishers and waiting for rejection letters. Today, you can write and publish your own books on Amazon without an agent or publisher. Within 24 hours of uploading, your book can be available for sale on the world's best-known bookstore. Amazon will even pay you up to 70% royalties on every book sold. Self-Publishing on Amazon is a compilation of two of my books. One on Kindle Publishing and the other on Createspace Publishing. Kindle Publishing - Format, Publish & Promote your Books on Kindle My complete strategy for formatting, publishing and promoting your books on Kindle is documented in this book. It's what I did, and what I still do with every new book I release. You don't need to be a tech wizard, as each step is described in great detail with plenty of screenshots. If you can use a word processor, you can publish your work on Amazon! You'll know how to: - \* Check if there is a hungry market for your book.\* - Find the best keywords and know how to use them to help your book rank higher in Amazon.\* - Estimate sales of other Kindle books.\* - Format your book as you write it, without having to buy any tools or hire someone to do it for you.\* - Create a table of contents properly so that it works with the Kindle reader. Amazon could remove your book from sale if you don't do this.\* - Advanced formatting, like using bullets in your book. Most teach yourself books on Kindle publishing just say you cannot use them, but I'll show you how you can.\* - Where to get book covers done for any budget if you don't have the necessary skills to make one yourself.\* - Submit your books so they have the best possible chance of ranking in Amazon's search engine.\* - Create formatted book descriptions on Amazon. - How to update your book.\* - How to promote your book for free and what to expect. I'll show you a promo I did and how it kicked started sales (with screenshots of sales in the first 24 hours after the promotion). - \* How to set up your Author Central profile.\* - How to make use of the look inside feature in your books.\* - Why serialization of books works, and how to do it.\* - Tracking sales of books.\* - Specific information for non-US publishers.\* - Plus lots of other stuff ... My own success with Kindle PublishingI published my first Kindle book in August 2012. By December 2012 (just 5 months later), I was making what many people consider to be a full time income from my books. As part of my learning process, I setup a Facebook page in July 2012 to share my Kindle publishing journey (there is a link to the Facebook page inside this book). On that Facebook page, I shared everything, even my month by month income reports. I also helped those who asked for it (I still do). What I found was a huge and growing audience for this type of work, and ultimately, that's why I wrote this book. Createspace PublishingCreatespace is a fantastic opportunity for writers. You publish your book, and if someone buys it, Createspace takes care of the rest. All the author needs to do is wait to be paid. How's that for hands-free and risk-free publishing? This book takes you step-by-step through my own process for publishing. Topics covered include: \* Basic Text Formatting\* Which Font?\* Links and formatting checks\* Page Numbering in Word\* Adding a new title to Createspace\* Price calculator and deciding on Trim size\* Image DPI requirements & image conversions\* Common formatting problems\* Book Cover Templates\* Creating the cover with Photoshop Elements and in Paint Shop Pro\* Submitting the book & cover to Createspace\* Expanded Distribution? The book also includes links to a number of video tutorials created by the author to help you understand the formatting and submission process.

Click on 'Look Inside', and read the first 20 pages Completely Free!

Amazon, and their eBook publishing partner, Kindle, have turned the publishing industry on its head. What had been an agonizing slog all new authors had to undergo before getting their work into print has now become, dare I say, simple, inexpensive (as in having virtually no up-front costs) and sure. Newly published books, some taking years to write, don't wither and die within a few weeks of being printed. The first four books written and published through normal channels by the author of Self-Publishing Simplified! taught him that, for mid-list authors, the major publishing houses offer no advantages. With CreateSpace and Kindle a newly published work will be available for potential readers to purchase for generations! Self-Publishing Simplified! will take the reader through a step by step guide into the world of print-on-demand and the very new world of eBooks.

**BUILD A PROFITABLE KINDLE PUBLISHING BUSINESS!** Do you want to start a Kindle Publishing Business? Do You Want a Step-By-Step Blueprint Of The Entire Process? If so, "KINDLE PUBLISHING: How To Build A Successful Self-Publishing Business With Amazon Kindle and Createspace. A Detailed, Step-By-Step Guide To The Entire Process" by Delfim Alvaro is the exact guide you need! Delfim Alvaro is a successful Kindle Publisher who has been running his Publishing business for over 2 years. In that time, he has tried and tested many strategies, followed various courses and narrowed the process down to 9 essential lessons. Much like the 80/20 or Pareto's Principal. Focusing on truly understanding and employing only 9 steps allowed Delfim to be more efficient and grow a passive income quicker, ignoring all the other time-consuming or minimal-result-producing tasks. The refocus was so effective that it doubled Delfim's income to \$3000 a month in just 3 months, and with only a total number of 13 books. And now he wants to share the same 9 lessons with you! Kindle Publishing is one of the simplest businesses to start, with low barrier to entry, low start-up cost and massive earning potential. And a business that just about anyone can start regardless of their previous business or internet marketing experience. Delfim's 9 essential Lessons will be putting you on the path to success with Kindle and on your way to a full-time income online. What Makes This Book The Best Book On The Subject? This book is a true step-by-step break-down of the entire process and should cost way more because of the value Delfim shares. You will be getting a proven blueprint to start your own online business from someone who has been there and done it, with the potential to quit your job, work from home or from anywhere in the world for such a small investment. Delfim covers everything from opening your publishing accounts, finding and analysing profitable niches, getting your book cover designed and book published, as well as how to market your books, manage and outsource your business. The book is also filled with screenshots and free video tutorials to make things even simpler for you. Giving you full confidence that you can also replicate the process. You Will Learn The Following: Exactly how Kindle Publishing works How to properly carry-out Niche and Keyword Research. Find topics that are in demand and profitable How to create a Title that sells How to order a eBook cover that stands-out How to write or better, outsource great book content Book descriptions that sell How to open your Kindle account How to Publish your first eBook on Kindle, step-by-step How to turn your eBook into a Paperback version How to Publish your first Paperback, step-by-step How to Promote and Market your book How to get Reviews for your book How to Scale, Manage and Outsource your Kindle Publishing business And much more! So, take this opportunity and order your copy of this guide by clicking the 'Buy Now' button. For a fraction of the value you will be getting in this book, you will be learning lessons that will pay you back tenfold. Take advantage of it while you can. By ordering your copy, you will also be given access to my private publishing community where you can share ideas, ask questions and grow your business with other publishers. Order Now and see you inside!
