Advantages to
Society

Customers need
not to travel to
shop a product
thus less
traffic on road
and low air
pollution. E-
Commerce helps
reducing cost of
products so less
affluent people

Commerce can also afford the products. E-Commerce has enabled access to services and products to rural areas as well which are otherwise not available to them. E-Commerce helps government to deliver public services

like health care, education, social services at reduced cost

...
