Gateway To Japan Kodansa Guide - maxwyatt@email

Absolutely the best guidebook on Japan, ever. I hope that Kodansa releases an updated version at some point, but until then, this really is the greatest. Yes, you can pick up a DK book with lots of photos and a Rough Guide (and others) will list restaurants and hotels. But so does Gateway.

Gateway to Japan by June Kinoshita - Goodreads

Gateway to Japan (Kodansa Guide) by June Kinoshita, Nicholas Palevsky PDF, ePub eBook Download When friends want to know where to go in Japan, I always ask, "What are you interested in?" One friend spent every day at the Kabuki theater in Tokyo. Another ventured north to savor the culinary traditions of Tohoku.

Includes history and culture of Japan, also shows Japan by regions with a guide to hotels, restaurants, shopping and transportation ; over 100 maps and illustrations.

Introduces Japan's history and culture, describes points of interest in each region, and recommends hotels and restaurants

Children turned emperor, emperors turned priest, and priests turned poet are just a few of the colorful characters described in Kyoto: A Cultural Guide. The fascinating facts, larger-than-life characters and grand events described within offer abundant proof that, more than just a treasure house of shrines and temples, Kyoto is indeed one of the most enticing cities in the world. For example, Benkei, an eight-foot-tall monk with a wildly combative nature, was defeated on the Gojo Bridge by a voting warrior who had received his training in swordsmanship from a tengu goblin. Benkei's defeat is memorialized at Kyoto's Kiyomizu-dera temple in the form of an oversize iron staff and gela created by a blind blacksmith. Oishi entered into a life of debauchery at the Ichiriki tea house in Gion with the sole intention of avenging the disgrace of his former master. After gathering together 46 other samurai, he exacted his revenge. Thus the tale of The Forty Seven Ronin was born. A guidebook to 14 walking tours, Kyoto: A Cultural Guide is also a kaleidoscopic reference and resource book certain to please long-term residents and first-time travelers.

Stunningly illustrated, this is both a guidebook to accessible gardens in Japan and a revelation of their historical and cultural contexts for the general reader.

This Japanese design and interior decorating book focuses on the traditional country homes of rural Japan From Japanese antiques to home and garden design, Japan Country Living is a delightful introduction for art and furniture lovers. In over 450 full-color photographs this book presents Japan as it was yesterday, and describes the metamorphosis of he traditional country lifestyle into a viable alternative for today's city dwellers. Japan Country Living is an appreciation of the Japanese countryside and its skilled artisans. It is an invaluable source of ideas for those wanting to add touches of nature and beauty to modern urban living.

Official organ of the book trade of the United Kingdom.

Discusses language, transportation, lodging, passports and customs regulations, health and hygiene, packing, shopping, and planning an itinerary
