MTEL Middle School Math/Science: Genetics & Heredity - Chapter Summary. The lessons in this chapter will provide a detailed review of the laws that govern the way genes are inherited through ...

MTEL Middle School Math/Science: Genetics ... - Study.com

Genetics is the study of how traits are inherited. Heredity and genetics help explain why people are different. Mendel found that traits followed the laws of probability and that he could predict the outcome of genetic crosses. Organisms inherit traits from their parents. Dominant traits cover up or dominate recessive traits.
