In this long awaited follow-up to the best-selling *An Altar in the World*, Barbara Brown Taylor explores 'the treasures of darkness' that the Bible speaks about. What can we learn about the ways of God when we cannot see the way ahead, are lost, alone, frightened, not in control or when the world around us seems to have descended into darkness?

The first book in the Mindfulness Essentials Series by Zen Master Thich Nhat Hanh, *How to Sit* offers clear, simple directions and inspiration for anyone wanting to explore mindfulness meditation. In short, single-paragraph chapters, What Hanh shares detailed instructions, guided breathing exercises and visualizations, as well as his own personal stories and insights. This pocket-sized book is perfect for those brand new to sitting meditation as well as for those looking to deepen their spiritual practice. With sumi ink drawings by Jason DeAntonis.

New York Times Bestseller From the New York Times bestselling author of *An Altar in the World*, Barbara Brown Taylor's *Learning to Walk in the Dark* provides a way to find spirituality in those times when we don't have all the answers. Taylor has become increasingly uncomfortable with our tendency to associate all that is good with lightness and all that is evil and dangerous with darkness. Doesn't God work in the nighttime as well? In *Learning to Walk in the Dark*, Taylor asks us to put aside our fears and anxieties and to explore all that God has to teach us "in the dark." She argues that we need to move away from our "solar spirituality" and ease our way into appreciating "lunar spirituality" (since, like the moon, our experience of the light waxes and wanes). Through darkness we find courage, we understand the world in new ways, and we feel God's presence around us, guiding us through things seen and unseen. Often, it is while we are in the dark that we grow the most. With her characteristic charm and literary wisdom, Taylor is our guide through a spirituality of the nighttime, teaching us how to find our footing in times of uncertainty and giving us strength and hope to face all of life's challenging moments.

This book enables the reader to look up a Biblical site quickly in alphabetical form, read the Biblical references, and travel to the sites throughout Israel and Jordan. --From publisher's description.

From the author of *Happiness for Beginners* comes the instant New York Times bestseller (May 2018), an unforgettable love story about finding joy even in the darkest of circumstances. Margaret Jacobsen is just about to step into the bright future she's worked for so hard and so long: a new dream job, a fiancé she adores, and the promise of a picture-perfect life just around the corner. Then, suddenly, on what should have been one of the happiest days of her life, everything she worked for is taken away in a brief, tumultuous moment. In the hospital and forced to face the possibility that nothing will ever be the same again, Maggie must confront the unthinkable. First there is her fiancé, Chip, who wallows in self-pity while simultaneously expecting to be forgiven. Then, there's her sister Kit, who shows up after pulling a three-year vanishing act. Finally, there's Ian, her physical therapist, the one the nurses said was too tough for her. Ian, who won't let her give in to her pity, and who sees her like no one has seen her before. Sometimes the last thing you want is the one thing you need. Sometimes we all need someone to catch us when we fall. And sometimes love can find us in the least likely place we would ever expect. *How to Walk Away* is Katherine Center at her very best—a masterpiece of a novel that is both hopeful and hilarious; truthful and wise; tender and brave. Praise for *How to Walk Away*: "A heartbreak of a novel that celebrates resilience and strength." —Jill Santopolo, bestselling author of *The Light We Lost* "If you just read one book this year, read *How to Walk Away*." —Nina George, New York Times bestselling author of *The Little Paris Bookshop* "Warm, witty, and wonderfully observed." —Emily Giffin, New York Times bestselling author of *First Comes Love* "Sympathetic and refreshing!" —Elinor Lipman, bestselling author of *The Family Man* "I can't think of a blurb good enough for this novel...poignant, funny, heartbreaking." —Jenny Lawson, bestselling author of *Furiously Happy*

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

There are nine steps to becoming an ant walker, and Amariyah, the expert ant walker, is here to show you how it's done. Appealing to adults who are actively searching ways to join the JOMO movement (Joy of Missing Out and being content just "being"), *A Walk in the Wood* also makes for a perfect gift for stressed-out family members and friends.
