Images of Organization - Gareth Morgan - Google Books

Images of Organization is a bestseller book by Gareth Morgan, professor of organizational behavior and industrial relations at the Schulich School of Business at York University in Toronto, which attempts to unveil organization via a number of metaphors. It was first published in 1986. The book particularly describes the organization as (1) machines, (2) organisms, (3) brains, (4) cultures, (5) ...

---

Images of Organization - Wikipedia

Images of Organization is deep stuff, and not recommended for the casual reader. I loved the exploration into different models of thinking about organizations, but not everyone will share my passion. Morgan organized this book well, every chapter ended with a brief "strengths and weaknesses" section of a different perspective on organizations. I suspect that I will be turning to Images of ...
