Invert mini paintball gun manual >>
READ ONLINE..... Invert Paintball Guns started a revolution with the original Invert Mini Paintball gun. The Invert Mini redefined what it means for a paintball marker to be small, compact and lightweight! Invert Paintball Markers set the standard for routing air pressure internally without any external hoses.

While the Empire Invert Mini is quite small, it overcomes its diminutive size with excellent shooting performance. This munchkin of a marker weighs slightly under two pounds when fully assembled. Despite this, it shoots with the authority and accuracy of a regular sized marker. It has a middle of the road price (around \$300).
