An insatiable attraction heats to the boiling point in this steamy book set in the shore town of Sea Breeze from the author of the white-hot *The Vincent Boys*. Preston is one bad boy. And Amanda has harbored a crush on him for forever. When she finally makes her move on him, it does not end well. But still, she can't resist him. Especially now that he seems to be pursuing her, too. No one wants them to be together. Not Amanda's brother Marcus, who is on the verge of his marriage to Low, and definitely not any of Preston's buddies. They know way too much about Preston's dark side. Even Preston realizes he's not good enough for someone like her. But Amanda believes there is more to Preston than his bad boy persona, and she is determined to unearth what he's hiding behind his seductive blue eyes—secrets that could explain his actions. Secrets Amanda might not be able to forgive. Yet the dangerous attraction persists...and neither Preston nor Amanda is going to deny it.

When Sadie takes a summer job working in the house of teen rock star Jax Stone, she finds herself falling quickly for him, but Jax's wild rock star world makes having a relationship with him difficult.

Set in the steamy coastal Alabama town of Sea Breeze, an interconnected group of older teens hook up, break up . . . and much, much more. Marcus Hardy had hoped to enjoy a year away at college while he put the summer he'd rather forget behind him. But instead, he's jerked right back his home town of Sea Breeze due to a family crisis. The only bright spot to returning is the hot redhead who sleeps over at his place several times a week. There's just one thing though - she's sleeping in bed with his new roommate, Cage York. Willow "Low" Foster needs a place to live. Running to her best friend Cage's apartment every time her sister kicks her out isn't exactly a long term solution. But Cage has a new roommate and suddenly sleeping over at his apartment isn't such a bad thing. Not when she gets to see those sexy green eyes of Marcus's twinkle when he smiles at her like he wants her there. There's one problem though, Cage is under

But when his carefully laid plans come crashing down with a revelation he never expected, Marcus will have to choose between Low or his family. Because once the truth comes out . . . there's no other choice.

Taking a summer job to salvage the scholarship that was threatened by a DUI charge, Cage clashes with the farm manager's daughter before discovering the reasons behind her anger, forcing him to make a careful choice.
