Sometimes you can change history . . . and sometimes history can change you. When Stosh travels into the past to meet Roberto Clemente, a legendary ballplayer and a beloved humanitarian, he's got only one goal: warning Roberto not to get on the doomed plane that will end his life in a terrible crash. In the sixties, Stosh meets free-spirited Sunrise, and together they travel across the country to a ball game that leaves them breathless-and face-to-face with Roberto. But when the time comes for Stosh to return to the future, he finds that the adventure has only just begun. . . . Join Stosh and Sunrise on a journey that will take you into the past, from the excitement of Woodstock to a life-changing encounter with Roberto Clemente-and into a surprising future!

Live with eternity in view! You were created with eternity in your heart. This is why you have an inner knowledge of a greater existence beyond this life on earth. This publication provides an overview of the importing process and contains general information about import requirements. This edition contains much new and revised material brought about because of changes in the law, particularly the Customs Modernization Act. The Customs modernization provisions has fundamentally altered the process by shifting to the importer the legal responsibility for declaring the value, classification, and rate of duty applicable to entered merchandise.Chapters cover entry of goods, informed compliance, invoices, assessment of duty, classification and value, marking, special requirements for alcoholic beverages, motor vehicles and boats, import quotas, fraud, and foreign trade zones.In addition to the material provided by the U. S. Customs Service, the private commercial publisher of this book has provided a bonus chapter on how to build a tax-free import-export business.

Datsun's initial offerings were fairly conventional family cars, but with the introduction of the 240Z in 1969 the marque's image received a massive boost. It was a runaway success, outselling every European sports car model in the lucrative North American market. The 280Z arrived in 1975 followed by the 280ZX in 1978 and sales of the 280ZX had reached over 446,000 units by the time production came to an end in 1983. 44 international articles include road, track and comparison tests, a service guide plus full technical and performance data.
