Overlord is a lot closer to a real novel than most of the stuff you'll see on this site. If you're used to the light novel format and expect the plot to move at a breakneck speed while focusing mainly on the MC with small sections for the side characters, then this won't be your cup of tea. I would say about half of Overlord is about the MC.

A group of "workers" whose better judgement has been clouded by hopes and expectations have descended into the unknown depths of a mysterious tomb. These trespassers include the small but elite team Foresight, the storied warriors of Heavy Masher, the crew lead by a legendary elder worker, Green Leaf, and the invincible swordsmen of Angel. They are some of the best that can be hired, but as more and more vengeful residents of Nazarrick appear, will any make it out alive?

In the kingdom of Re-Estize, a sinister organization known as the Eight Fingers holds sway of the criminal underworld. Ainz orders Sebas to infiltrate the capital to gather intel on this shadowy group sucking the marrow from the kingdom's bones. At the same time, a young soldier named Climb struggles to hone his skills to better serve the "Golden Princess" while the once great warrior Brian returns home a broken man... Against the backdrop of an ancient city fraying at its edges, three men will challenge the corruption of the vicious Eight Fingers!

In search of the lost art of rune crafting, Ainz journeys to the land of the dwarves. Accompanied by Aura and Shalltear, he arrives only to find that the Dwarven Kingdom is beset by an invasion run by someone besides himself! He soon strikes a deal to obtain the secrets behind the making of runes in return for assisting the natives in reclaiming their capital, but it may not be so easy when a legendary frost dragon stands in his way!

The human realm of the kingdom is headed for its greatest disaster yet! After failing to prevent a daring raid on the Eight Fingers' appalling brothel, the Six Arms are dying for a chance to defend their reputation as the criminal underworld's strongest enforcers. These criminals are notorious for

their brutality as much as their strength, meaning the only people who stand a chance against them are the legendary Blue Roses...and one polite, dignified butler. When these thugs make Sebas the first target of their revenge, they may get much more than they bargained for by inadvertently picking a fight with Ainz Ooal Gown!

The lizardman conflict comes to a decisive and bloody end as Ainz turns his attention north towards the humans once more. The Re-Estize Kingdom's princess has beauty, intelligence, and kindness in spades. She's guarded by a fiercely loyal young man-who also carries a secret torch for her. His vow to protect her will take him from courtly intrigue deep down into the underbelly of the country. Will the steadfast youth be able to protect his golden princess...?

After being saved from danger by Ainz, Enri and the apothecary Nfirea have been living life to the fullest as they spend their days together in Carne Village alongside their goblin-guard neighbors. But after the Wise King of the Forest left the region, the balance of the forest has been disrupted and something has filled the vacuum of power...

What do you do when your favorite game shuts down? Momonga decided to stay logged in right up until the very end. But when the servers go dark, he finds himself transported into the game world--and he's been transformed into his skeletal avatar from the game, awesome magical powers included! But what if he's the villain of his own story?

One day, in a peaceful lizardman village, an ominous messenger visits with a warning from the Great Tomb of Nazarick: In eight days' time, they will be annihilated. Unwilling to stand by and wait, the fighter and traveler Zaryusu journeys to the other lizardman tribes--who have received the same message--hoping to form an alliance against their impossibly strong opponent. But though the warriors try valiantly to resist, Ainz Ooal Gown and his undead army hold the power to determine their fate...

Lord Ainz has made great progress moonlighting as the indomitable hero Momon, but what should be a moment of triumph is shattered--by news of rebellion. He vows to find out what has happened and to defend the honor of his guild and home--Ainz Ooal Gown.

After establishing the Kingdom of Darkness, Ainz is determined to turn it into a utopia-a place where many races and creatures can all enjoy unending prosperity. His first step toward his ultimate goal is the expansion of the Adventurers Guild and training of adventurers themselves, which leads him to pay a

visit to the Empire! Elsewhere, the regional leaders have been unsettled by the sudden appearance of the Kingdom of Darkness and are quickly plotting their own ways to deal with the upstart nation... Ainz's first actions as ruler of an immortal kingdom have only just begun!
