Revel in the luminous and vibrant qualities of pastel with Ellen Eagle's essential course in the history, techniques, and practices of the medium. In this comprehensive yet intimate guide, Eagle explores pastel's rich but relatively unexamined past, reveals her own personal influences and approaches, and guides you toward the discovery and mastery of your own

vision. In Pastel Painting Atelier, you will find:

- Advice on basic materials: guidance on building, storing, and organizing a collection of pastels; choosing the right paper; and the importance of experimentation
- Studio practice suggestions: ideas for creating your ideal working environment and recipes for making your own pastels and supports
- Study of the working process: lessons on proportion, gesture, composition, color, application, identifying and correcting problems, and recognizing when a work is finished
- Meditation on subject: cues for extrapolating the subtle details, presence, and temporal features of whatever you choose to paint
- Step-by-step demonstrations: Eagle's acute insights into her own works as they progress

A magnificent selection of works by masters such as James Abbott McNeill Whistler, Rosalba Carriera, Mary Cassatt, and Eugene Delacroix augment this guide, as do works by contemporary artists including Harvey Dinnerstein, Elizabeth Mowry, and Daniel Massad. Aimed at serious artists, this guide enlightens, instructs, and inspires readers to create brilliant and sensitive works in the historic medium of pastel.

K. M. Szpara's *Docile* is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a Docile is to be kept, body and soul, for the uses of the owner of your contract. To be a Docile is to forget, to disappear, to hide inside your body from the horrors of your service. To be a Docile is to sell yourself to pay your parents' debts and buy your children's future. Elisha Wilder's family has been ruined by debt, handed down to them from previous generations. His mother never recovered from the Dociline she took during her term as a Docile, so when Elisha decides to try and erase the family's debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind Dociline and the entire Office of Debt Resolution. When Elisha refuses Dociline, Alex refuses to believe that his family's crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect Docile without it. Content warning: *Docile* contains forthright depictions and discussions of rape and sexual abuse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Instant New York Times bestseller “Howard Zinn on acid or some bullsh\*t like that.” —Tim Heidecker The creators of the cult-hit podcast *Chapo Trap House* deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the *Chapo Way*. In a guide that reads like “a weirder, smarter, and deliciously meaner version of *The Daily Show's 2004 America (The Book)*” (Paste), *Chapo Trap House* shows you that you don't have to side with either sinking ships. These self-described “assholes from the internet” offer a fully ironic ideology for all who feel politically

hopeless and prefer broadsides and tirades to reasoned debate. Learn the “secret” history of the world, politics, media, and everything in-between that THEY don’t want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that’s “as intellectually serious and analytically original as it is irreverent and funny” (Glenn Greenwald, New York Times bestselling author of No Place to Hide) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, “never before seen” drafts of Aaron Sorkin’s Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you’re a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we’re in, then Chapo, let’s go...

Many manuals on pastel painting take for granted the use of traditional soft pastels, a dry medium that provides the richness and variety of paint colours. Soft pastel is certainly the most versatile and widely used, but the modern range of materials include other pastel types that have their own specific purpose. In this exhaustive A-Z reference for artists of all skills, a variety of different pastel types are detailed, from oil through to water-soluble pastels, amongst the multitude of techniques broken down and easily explained.

This comprehensive, 64-page book offers in-depth instruction on creating vibrant paintings with the often overlooked but versatile medium, oil pastel. A relatively new fine-art medium, oil pastel is inexpensive and may be used directly in dry form with minimal setup and easy clean up, so beginners can get started right away! The book opens with a thorough introduction to basic oil pastel tools and techniques. Then, artist-author Nathan Rohlander shows aspiring artists how to render a wide range of subjects—from flowers and animals to landscapes and portraits—with simple, step-by-step demonstrations and stunning illustrations.
