Best Translated Novel of the Decade — Lit Hub A New York Times Notable Book of 2015 — Michiko Kakutani, The Top Books of 2015, New York Times — TIME Magazine Top Ten Books of 2015 — Publishers Weekly Best Books of the Year — Financial Times Best Books of the Year “ A tour-de-force reimagining of Camus ’ s The Stranger, from the point of view of the mute Arab victims. ” —The New Yorker He was the brother of “ the Arab ” killed by the infamous Meursault, the anthero of Camus ’ classic novel. Seventy years after that event, Harun, who has lived since childhood in the shadow of his sibling ’ s memory, refuses to let him remain anonymous; he gives his brother a story and a name—Musa—and describes the events that led to Musa ’ s casual murder on a dazzlingly sunny beach. In a bar in Oran, night after night, he ruminates on his solitude, on his broken heart, on his anger with men desperate for a god, and on his disarray when faced with a country that has so disappointed him. A stranger among his own people, he wants to be granted, finally, the right to die. The Stranger is of course central to Daoud ’ s story, in which he both endorses and criticizes one of the most famous novels in the world. A worthy complement to its great predecessor, The Meursault Investigation is not only a profound meditation on Arab identity and the disastrous effects of colonialism in Algeria, but also a stunning work of literature in its own right, told in a unique and affecting voice.

Bible reading notes based on the Common Worship Lectionary. Each day, Monday to Saturday, some of the very best writers from across the Anglican tradition offer insightful, informed and inspiring reflections on one of the day ’ s readings for Morning Prayer. This volume covers the church year 2015/2016.

Learning that after a half-century of family life that their house on Detroit’s East Side is worth only a fraction of its mortgage, the members of the Turner family gather to reckon with their pasts and decide the house’s fate. A first novel. 20,000 first printing.

This book explores the humanities as an insightful platform for understanding and responding to the military prison at Guant á namo Bay, other manifestations of “ Guant á namo,” and the contested place of freedom in American Empire. It presents the work of scholars and writers based in Cuba ’ s Guant á namo Province and various parts of the US. Its essays, short stories, poetry, and other texts engage the far-reaching meaning and significance of Gitmo by bringing together what happens on the U. S. side of the fence—or “ la cerca,” as it is called in Cuba—with perspectives from the outside world. Chapters include critiques of artistic renderings of the Guant á namo region; historical narratives contemplating the significance of freedom; analyses of the ways the base and region inform the Cuban imaginary; and fiction and poetry published for the first time in English. Not simply a critique of imperialism, this volume presents politically engaged commentary that suggests a way forward for a site of global contact and conflict.

* Newbery Honor Book * #1 New York Times Bestseller * Winner of the Schneider Family Book Award * Wall Street Journal Best Children’s Books of the Year * New York Public Library’s 100 Books for Reading and Sharing An exceptionally moving story of triumph against all odds set during World War II, from the acclaimed author of Fighting Words, and for fans of Fish in a Tree and Number the Stars. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada ’ s twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn ’ t waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. “Achingly lovely...Nuanced and emotionally acute.”—The Wall Street Journal “Unforgettable...unflinching.”—Common Sense Media “ Brisk and honest...Cause for celebration. ” —Kirkus, starred review “Poignant.”—Publishers Weekly, starred review “Powerful.”—The Horn Book, starred review “Affecting.”—Booklist “Emotionally satisfying...[A] page-turner.”—BCCB “ Exquisitely written...Heart-lifting. ” —SLJ “Astounding...This book is remarkable.”—Karen Cushman, author The Midwife’s Apprentice “Beautifully told.”—Patricia MacLachlan, author of Sarah, Plain and Tall “I read this novel in two big gulps.”—Gary D. Schmidt, author of Okay for Now “I love Ada’s bold heart...Her story’s riveting.”—Shella Turnage, author of Three Times Lucky

Based on the full cooperation of the subject—with no restraining conditions—The Strategist provides an in-depth portrait of a man whose career has been intimately linked to the great transformations in U.S. foreign policy, from the last third of the Cold War, to September 11, 2001, and up to the present. Bartholomew Sparrow brings color and focus to the complex and often secretive nature of U.S. foreign policy and strategic adjustments—an intellectual battlefield on which ideas and worldviews clash, in which economics, politics, and strategic concerns intertwine, and in which private citizens and non-office holders may exert as much influence as highly visible Cabinet officials. Among the most important foreign policy minds of the 20th and early 21st centuries, Brent Scowcroft is also among the least well-known or understood. In a now-famous August 2002 Wall Street Journal op-ed titled “ Don’t Attack Saddam Hussein,” Brent Scowcroft, who had been national security advisor under President George H. W. Bush, went to war himself, in a sense, with his closest and longest-standing friends. He noted the scant evidence that tied the Iraqi government to terrorist organizations. He warned that an invasion and occupation of Iraq would be costly and potentially disastrous for a variety of carefully considered reasons. He recommended that the Bush administration work with the U.N. Security Council and wait for definitive proof of Saddam’s wrongdoing before taking action. The essay at once made Scowcroft the most outspoken and most credible critic of the Bush administration’s plans for war and immediately generated national controversy. It provoked a sudden, deep split in the Republican Party over the plans for war. Vice President Cheney, National Security Advisor Rice, Defense Secretary Rumsfeld, and President George W. Bush all vigorously reaffirmed their cause and their course of action, and the media and American public opinion soon fell in line. Clearly, Scowcroft, 84, continues to participate in the most central and important debates over U.S. foreign policy and national security. He has been a leading architect of U.S. foreign policy and grand strategy for almost a half-century, and though long out of office, still gives speeches, makes media appearances, and leads tasks forces and commissions. He is a rare creature, one of the few “ wise men ” of the nation’s capital: someone who is regularly consulted by top government officials in Democratic and Republican administrations, ranking members of the House and Senate from both sides of the aisle, and the country’s leading foreign-policy journalists. As recently as April 2009, Scowcroft co-chaired an extensive Council of Foreign Relations study of the U.S. nuclear weapons policy. More than anyone else, he stands at the center of the United States’ foreign policy establishment. Most significantly, Scowcroft is trusted—a scarce and typically fleeting quality in Washington—and has been for four decades. The unprecedented insights into the man and his career Sparrow offers in The Strategist are vital to anyone who wishes to understand America’s changing role in the world.

An in-depth investigation into Donald Trump ’ s business—and how he used America ’ s top job to service it. White House, Inc. is a newsmaking expos é that details President Trump ’ s efforts to make money off of politics, taking us inside his exclusive clubs, luxury hotels, overseas partnerships, commercial properties, and personal mansions. Alexander tracks hundreds of millions of dollars flowing freely between big businesses and President Trump. He explains, in plain language, how Trump tried to translate power into profit, from the 2016 campaign to the ramp-up to the 2020 campaign. Just because you turn the presidency into a business doesn ’ t necessarily mean you turn it into a good business. After Trump won the White House, profits plunged at certain properties, like the Doral golf resort in Miami. But the presidency also opened up new opportunities. Trump ’ s commercial and residential property portfolio morphed into a one-of-a-kind marketplace, through which anyone, anywhere, could pay the president of the United States. Hundreds of customers—including foreign governments, big businesses, and individual investors—obliged. The president’s disregard for norms sparked a trickle-down ethics crisis with no precedent in modern American history. Trump appointed an inner circle of centimillionaires and billionaires—including Ivanka Trump, Jared Kushner, Wilbur Ross, and Carl Icahn—who came with their own conflict-ridden portfolios. Following the president ’ s lead, they trampled barriers meant to separate their financial holdings from their government roles. White House, Inc. is a page-turning, hair-raising investigation into Trump and his team, who corrupted the U.S. presidency and managed to avoid accountability. Until now.

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that’s been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father’s actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today’s world, and how one boy grows to understand American blackness in the aftermath of his own death.

A complete introduction to analyzing and enjoying a wide variety of movies, for film students and movie lovers alike Thinking About Movies: Watching, Questioning, Enjoying, Fourth Edition is a thorough overview of movie analysis designed to enlighten both students and enthusiasts, and heighten their enjoyment of films. Readers will delve into the process of thinking about movies critically and analytically, and find how doing so can greatly enhance the pleasure of watching movies. Divided roughly into two parts, the book addresses film studies within the context of the dynamics of cinema, before moving on to a broader analysis of the relationship of films to the larger social, cultural, and industrial issues informing them. This updated fourth edition includes an entirely new section devoted to a complete analysis of the film adaptation of The Girl with the Dragon Tattoo, along with many in-depth discussions of important films such as Citizen Kane and Silence of the Lambs. The chapter on television integrates a major expansion distinguishing between television in the digital era of the convergence of the entertainment and technology industries in comparison to the era of broadcast analogue television. The final chapter places film within the current context of digital culture, globalization, and the powerful rise of China in film production and exhibition. The authors clearly present various methodologies for analyzing movies and illustrate them with detailed examples and images from a wide range of films from cult classics to big-budget, award-winning movies. This helps viewers see new things in movies and also better understand and explain why they like some better than others. Thinking About Movies: Watching, Questioning, Enjoying, Fourth Edition is ideal for film students immersed in the study of this important, contemporary medium and art form as well as students and readers who have never taken a class on cinema before. This new edition of the book also comes with a Companion Blog https://thinkingaboutmoviesblog.wordpress.com/ that the authors will update regularly with attention to films and industry developments directly related to each chapter, plus updates to readings and resources.

This book/CD package guides readers and listeners on a journey through Franz Schubert’s Winterreise song cycle, in which the composer set the poetry of Wilhelm Muller to music. The complete text of the 24 poems is presented in both German and English, with 116 b&w photographs of winter scenes on the facing pages. An introductory essay by Susan Youens (musicology, U. of Notre Dame) offers a critical examination of the song cycle. The music CD features a new recording of Winterreise, performed by baritone Paul Rowe and pianist Martha Fischer. Oversize: 10.25x10.25”. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).
