CSI meets Harry Potter in this fantastic new graphic novel from Ben Aaronovitch, writer of the bestselling Rivers of London supernatural police procedural crime novel series! Vengeful Russian mobsters are looking to hire members of London's own more-than-natural underworld to bring bloody retribution down on the witch Varvara. However, the ex-Soviet sorcerer is under the protective wing of London's own wizarding cop, Peter Grant (now a proper detective and everything), and to get the attention of

Grant and his colleagues, the daughter of a prominent Russian oligarch is kidnapped by parties unknown but possibly fox-like. What makes it worse is that Peter is going to have to leave his beloved London and *gasp* go out into the countryside! And when there's trees and fields and wildlife involved, things never end well...

The kidnapping of two young girls is not what it seems. On the surface it looked like an attempt to ransom the daughter of the imprisoned wife of a Russian oligarch – but then why was Abigail, apprentice wizard

to Peter Grant, also taken? And why, after also kidnapping his vixen and cub, were the moneyed miscreants using Dan Russell – one of London's more unusual talking foxes – as bait? Abigail, apparently poor prey material, has now been joined in captivity by another kidnapped associate of The Folly – Detective Sergeant Guleed, who is apparently considered much greater sport. Now Peter and his boss are going to have to leave the confines of London to take their chances in the green and unpleasant countryside, to track the kidnappers down...
