Hello all. I just bought a 2006 9-3 and noticed the stereo system is terrible. I just bought a Clarion NX501 online today and found out that there are no aftermarket wiring harnesses available for model years 03-06 due to the fiber optic cable.

2006 9-3 aftermarket stereo install - The Saab Link Forums

The F309 fits like it was OEM and with an available Plug-N-Play wiring harness makes for a simplified installation. Because this is a single DIN device, you will need two kits for installation: DIN kit and Wiring kit including steering wheel retention through dynamic sound. The installation did not need to be programmed with Tech 2 device.

[Help] Installing Aftermarket Stereo in 2008 Saab 9-3 Aero! Hello everyone, thank you for taking the time to read through this and hopefully helping me work through some solutions. I am in the process of wanting to upgrade my factory Bose stereo in my Saab to an after market deck and adding some subs.

[Help] Installing Aftermarket Stereo in 2008 Saab 9-3 Aero ...

This used Saab fuel pump should fit all 1999-02/03 (vert) 9-3 models and 1998 900NGs. I got it as a spare for my 2002 SE after my Vigen's fuel pump failure on a trip left me stranded, but I never needed it, never tested it (although I trust the seller I bought it from, who guaranteed it), and have since sold both cars.
