Sir Malcolm and the Missing Prince by Sidney Baldwin is geared for a younger audience; however, this age-old story of redemption will appeal to all ages. One moment more, sire..to tell you of the gratitude a boy owes to a man he once called 'father,' a man who showed naught but kindness to an impertinent child, who then thought himself above all others, who failed the man when put to the test.

Young Prince Hubert is incorrigible, unmanageable, and tiresomely demanding. What is the good King to do? How will his selfish Prince ever learn to rule the kingdom well? His most trusted friend, Sir Malcolm, has a plan. Prince Hubert is swept away to a land where he is simply known as Hugh, a peasant boy. His silks are replaced with rough work clothes, his castle dwelling with a humble cottage. It is here that Hugh learns valuable life lessons from the widow of the forest.

Poverty and Politics: The Rise and Decline of the Farm Security Administration

REA's MAXnotes for Alex Haley's *The Autobiography of Malcolm X* MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers. Amazon.com Review Malcolm X's searing memoir belongs on the small shelf of great autobiographies. The reasons are many: the blistering honesty with which he recounts his transformation from a bitter, self-destructive petty criminal into an articulate political activist, the continued relevance of his militant analysis of white racism, and his emphasis on self-respect and self-help for African Americans. And there's the vividness with which he depicts black popular culture--try as he might to criticize those lindy hops at Boston's Roseland dance hall from the perspective of his Muslim faith, he can't help but make them sound pretty wonderful. These are but a few examples. The Autobiography of Malcolm X limns an archetypal journey from ignorance and despair to knowledge and spiritual awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self are the necessary first steps on the road to freedom. --Wendy Smith Review Biography, published in 1965, of the American black militant religious leader and activist who was born Malcolm Little. Written by Alex Haley, who had conducted extensive audiotaped interviews with Malcolm X just before his assassination in 1965, the book gained renown as a classic work on black American experience. The Autobiography recounts the life of Malcolm X from his traumatic childhood plagued by racism to his years as a drug dealer and pimp, his conversion to the Black Muslim sect (Nation of Islam) while in prison for burglary, his subsequent years of militant activism, and the turn late in his life to more orthodox Islam. --The Merriam-Webster Encyclopedia of Literature

A proud Teddy tells the story behind a button taken from his father's coat after he died in battle. The new neighborhood girl, Nancy, dressed in a sailor's outfit brings challenges and trouble. Teddy loves all things related to soldiers and becomes a soldier in the Lord's army. This story highlights the everyday inner battles that a Christian faces, such as contention. An important verse is "His banner over me was love."--Song of Solomon 2:4.

"Sir Knight of the Splendid Way" by William Edward Cule. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
