## The Lies We Told by Camilla Way - Goodreads

Unfortunately I would have to give "The lies we told" 4/5. Don't get me wrong I really enjoyed this book, I liked the character of Maya and at times felt her pain, but found the characters Adam and Rebecca less likable. The story flows well until the last couple of chapters, when it feels like the author rushed to finish the story. ...

The Lies We Told was well written, kept me engaged throughout and I honestly loved it. The only reason I rated it 4 stars instead of 5 was the ending.

Admittedly, I normally like an ending like this one, I mean it is a PT - you expect a (for lack of a better word) 'cliffhanger' of some sort.
