of economics / R.E. Baxter. 1982.

Description:

*The Penguin dictionary of economics
(Book, 1978) [WorldCat ...*

Shelves: economics, history,
philosophy. The introduction to The
Penguin History of Economics raises
two issues about the subject which are
useful to remember in the subsequent
read. The first is that there is no
universally accepted definition of the
subject and the second is that any
contributor to the history of economics
will pick and choose which works and
writers are important.

*The Penguin History of Economics by
Roger E. Backhouse*
