In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight.

~~The Unseen Realm by Michael S. Heiser - Goodreads~~

Michael Heiser's The Unseen Realm is simultaneously a refreshing, odd and timely book. It is refreshing because Heiser dares to do what so few evangelical scholars dare to do by taking a serious interest in the heavenly council that appears in places like Job 1:6-12; 1Kings 19:19-22; Daniel 10:12-13 and (he would insist) Deuteronomy 32:7-9 and Psalm 82.

Some concerns with Michael Heiser's "The Unseen Realm". June 17, 2019. Several months ago, a friend started reading Michael Heiser's book, The Unseen Realm. It's on the topic of angelology and she asked me if I had heard of the book or if I knew of any dangerous teachings therein. I had never heard of the book, nor the author, so I did a quick google search.

~~MORE UNSEEN REALM - If you've always suspected there's ...~~

Michael Heiser's The Unseen Realm is a book that every serious student of the Bible should take up. This book challenges conventional interpretations of Scripture and provokes the reader to consider a more supernatural view of the world than he likely holds. Hence the subtitle of the book, Recovering the Supernatural Worldview of the Bible.

~~Book Review: The Unseen Realm (Heiser) - Knowing Scripture~~

Michael Heiser, in his The Unseen Realm: Recovering the Supernatural Worldview of the Bible, pushes us to take various difficult texts seriously and shows that the situation is far more complex. He largely succeeds in building these ignored details into a coherent picture. He comes to the text as a self-confessed non-charismatic and scholar.

Michael Heiser's The Unseen Realm seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves.

In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's The Unseen Realm seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

Start with a Skeptical, naturalistic culture. Add the Church's tendency to avoid or gloss over difficult supernatural Bible passages. The result most Christians miss the supernatural worldview

Dr. Michael S. Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural, unfiltered by tradition or by theological presuppositions. Who were the sons of God? Who were the Nephilim? Where do angels fit into the supernatural hierarchy? What relation does Jesus bear to the rest of the supernatural world? Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture. After reading this book, you may never read your Bible the same way again. In Supernatural, Heiser takes the core message from his recent best-seller, The Unseen Realm, and presents it for the person in the pew. He offers the same approach to reading and understanding Scripture, but without all the extra footnotes and supporting information needed for the scholarly treatment. "We can't believe what we don't understand. In Supernatural, Michael Heiser helps us to do both. It may open your eyes to the scripture in a new way." —John Ortberg, author of If You Want to Walk on Water, You've Got to Get Out of the Boat

"Van Dorn summarizes key concepts and themes and includes questions aimed at helping you gain a deeper understanding of the biblical author's supernatural worldview." -- Amazon.com

The Bible is filled with passages that are so baffling we tend to ignore them. Yet the passages that seem weird might be the most important. This collection of essays from Bible Study Magazine will shock you, intrigue you, and completely change the way you view the Bible. Dr. Michael S. Heiser visits some of the Bible's most obscure passages, unveiling their ancient context to help you interpret them today. Read this book, and you'll never be bored by the Bible again. The truth about demons is far stranger-and even more fascinating-than what's commonly believed. Are demons real? Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things? Did a third of the angels really rebel with Satan? Are demons and "principalities and powers" just terms for the same entities, or are they different members of the kingdom of darkness? Is the world a chaotic mess because of what happened in Eden, or is there more to the story of evil? What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today. And this ancient worldview is missing from most attempts to treat the topic. In *Demons*, Michael Heiser debunks popular presuppositions about the very real powers of darkness. Rather than traditions, stories, speculations, or myths, *Demons* is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says. You'll come away with a sound, biblical understanding of demons, supernatural rebellion, evil spirits, and spiritual warfare.

Reversing Hermon is a groundbreaking work. It unveils what most in the modern Church have never heard regarding how the story of the sin of the Watchers in 1 Enoch 6-16 helped frame the mission of Jesus, the messiah. Jews of the first century expected the messiah to reverse the impact of the Watchers' transgression. For Jews of Jesus' day, the Watchers were part of the explanation for why the world was so profoundly depraved. The messiah would not just revoke the claim of Satan on human souls and estrangement from God, solving the predicament of the Fall. He would also not only bring the nations back into relationship with the true God by defeating the principalities and powers that governed them. Jews also believed that the messiah would rescue humanity from self-destruction, the catalyst for which was the sin of the Watchers and the influence of what they had taught humankind. The role of Enoch's retelling of Genesis 6:1-4 in how New Testament writers wrote of Jesus and the cross has been largely lost to a modern audience. *Reversing Hermon* rectifies that situation. Topics include:* How the ancient Mesopotamian story of the apkallu aligns with Gen 6:1-4, was preserved in 1 Enoch, and sets the stage for the theme of reversing the evil of the Watchers* How the theme of reversing the transgression of the Watchers colors the gospel accounts of the birth of Jesus, his genealogy, and his ministry.* How the writings of Peter and Paul allude to the sin of the Watchers and present Jesus as overturning the disastrous effects of their sins against humanity.* How the descriptions of the antichrist, the end-times Day of the Lord, and the final judgment connect to Genesis 6 and the nephilim. Though every topic addressed in *Reversing Hermon* can be found in scholarly academic literature, *Reversing Hermon* is the first book to gather this information and make it accessible to Bible students everywhere.

What does the Bible really tell us about the heavenly host? Everyone knows that angels have wings, usually carry harps, and that each of us has our own personal guardian angel, right? We all have some preconceptions about angels from movies, television shows, and other media, but you might be surprised to know that a lot of those notions aren't based on anything from the Bible. If you read Luke 1:26-38 and imagine the angel Gabriel standing before Mary with neatly folded white wings, you're not getting that picture from anything the Bible itself says. What the Bible really says about angels is overlooked or filtered through popular myths. This book was written to help change that. It's a book about the loyal members of God's heavenly host, and while most people associate them with the word "angel," that's just one of many terms the Bible uses for supernatural beings. In *The Unseen Realm*, Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in. In his latest book, *Angels*, Dr. Heiser reveals what the Bible really says about God's supernatural servants. Heiser focuses on loyal, holy heavenly beings because the Bible has a lot more to say about them than most people suspect. Most people presume all there is to know about angels is what has been passed on in Christian tradition, but in reality, that tradition is quite incomplete and often inaccurate. *Angels* is not guided by traditions, stories, speculations, or myths about angels. Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host; he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world. The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period--Jewish writings from around the 5th century BC to the 1st century AD. This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways. With that important background established, the book focuses on what the New Testament tells us about God's holy ones. Finally, the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today.

The paranormal television series *Stranger Things* taps into the mysterious elements that have fueled spiritual questions for millennia. The otherworldly manifestations in Hawkins, Indiana offer compelling portrayals of important spiritual truths--and many of these truths are echoed in the supernatural worldview of the Bible.

Do you find the violence in the Old Testament a problem? Does it get in the way of reading the Bible—and of faith itself? While acknowledging that there are no easy answers, in *God of Violence Yesterday, God of Love Today?*, Helen Paynter faces the tough questions head-on and offers a fresh, accessible approach to a significant issue. For all those seeking to engage with the Bible and gain confidence in the God it portrays, she provides tools for reading and interpreting biblical texts, and points to ways of dealing with the overall trajectories of violence.
