The eight chapter headings are: Light Broths. I think I must be a fan of Deborah Madison, because here's another of her cookbooks I will purchase. I cook from scratch, try to buy most of my foodstuffs from local farmers, cheese-makers, etc and I don't eat meat, so I'm a good candidate to like her way of cooking.

~~Deborah Madison~~

I am a HUGE fan of Deborah
Madison and am enjoying this
cookbook very much. Like
many of her other recipes,
the soups in this book take
time to prepare and often
require many ingredients but
as a long-time vegetarian, I
understand how hard it can
be to develop good flavor in
soups without using either
meat-based stocks, pork
(ham, bacon, etc.) or heavy
cream and cheeses.
