Amelia Earhart (1897-1937) was an American pilot famous for becoming the first woman to fly solo across the Atlantic Ocean. She set many aviation records during her lifetime, and her courage and determination were an inspiration to all. Amelia tragically disappeared in 1937 when she tried to become the first woman to fly around the world.

**Amelia Earhart - The Official Licensing Website of Amelia ...**

Examines the life of pioneer aviator Amelia Earhart, who mysteriously disappeared during an around-the-world flight in 1937.

Autobiography of the famous flyer which describes her own ambitions to become a pilot and offers advice to others.

"Women must try to do things as men have tried. " When she was eight years old, Amelia Earhart built a roller coaster and "flew" through the air. She loved to watch daredevil pilots fly loops in the sky. Amelia decided to pilot a plane herself, and became one of the first women to learn to fly. She broke flight records and in 1932 was the first woman to fly across the Atlantic Ocean alone. The whole world admired her courage and daring. Amelia Earhart disappeared while trying to set a new record flying all the way around the world at the equator, but her pioneer spirit inspired many others to follow in her path.

Amelia Earhart's account of her ill-fated last flight around the world, begun in 1937, remains one of the most moving and absorbing adventure stories of all time. Last Flight compiles the letters, diary entries and charts that she sent to her husband, G.P. Putnam at each stage of her trip. In her own words, these dispatches offer a window into her experience on this ground-breaking journey and illustrate her cheerful, charming nature. Her story continues to intrigue and inspire people to this day.

In this international bestseller from the critically acclaimed Little People, BIG DREAMS series, discover the life of Amelia Earhart, the American aviation pioneer. When Amelia was young, she liked to imagine she could stretch her wings and fly away like a bird. As a grown woman, she set a new female world record for flying up to 14,000 feet. She also flew across the Atlantic and the Pacific oceans, and eventually undertook the most dangerous mission of all: to fly all the way around the world. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the aviator's life. Little People, BIG DREAMS is a bestselling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardback versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

In a novel about a real-life mystery, Amelia Earhart describes what happened after she and her navigator disappeared in 1937 off the coast of New Guinea and discusses her love of flying, memories of her past, and her life with G. P. Putnam. Reprint. 200,000 first printing. Tour.

She died mysteriously before she was forty. Yet in the last decade of her life Amelia Earhart soared from obscurity to fame as the best-known female aviator in the world. She set record after record-among them, the first trans-Atlantic solo flight by a woman, a flight that launched Earhart on a double career as a fighter for women's rights and a tireless crusader for commercial air travel. Doris L. Rich's exhaustively researched biography downplays the "What Happened to Amelia Earhart?" myth by disclosing who Amelia Earhart really was: a woman of three centuries, born in the nineteenth, pioneering in the twentieth, and advocating ideals and dreams relevant to the twenty-first.

Before every great person made their wonderful achievements, they were just like you and me. First Names is a series of fun, lively and highly illustrated biographies that introduces some truly amazing individuals who lived incredible lives, to an audience of young readers. AMELIA Earhart, one of the greatest aviation pioneers, is known as a strong and inspiring female role model. But what about the young girl Millie who rode her sledge between the legs of a horse? Or the sack of potatoes start to Amelia's flying fame? Find out all this and more in this fun and informative book about the incredible Amelia Earhart. From the editorial team behind the mega-bestselling Horrible Histories series.

Presents the life of the first female pilot to fly solo across the Atlantic Ocean, who mysteriously disappeared in 1937 while attempting to fly around the world.

When Amelia Earhart disappeared over the Pacific in 1937, she was at the height of her fame. Fascination with Earhart remains just as strong today, as her mysterious disappearance continues to inspire speculation. In this nuanced and often surprising biography, acclaimed aviation historian Kathleen C. Winters moves beyond the caricature of the spunky, precocious pilot to offer a more complex portrait. Drawing on a wealth of contemporary accounts, airline records, and other original research, this book reveals a flawed heroine who was frequently reckless and lacked basic navigation skills, but who was also a canny manipulator of mass media. Winters details how Earhart and her husband, publisher George Putnam, worked to establish her as an international icon, even as other spectacular pilots went unnoticed. Sympathetic yet unsentimental, this biography helps us to see Amelia Earhart with fresh eyes.
