We live in an age when everyone is trying to live richer, fuller lives. We're told to buy this, try that, eat those, and say no to the rest, as if that's all we need to do to make our lives complete. Two thousand years ago, the church at Colossae faced similar challenges. The Apostle Paul wrote a letter outlining the only way we can live complete lives: Christ. What can we learn today from this ancient church? Called by many scholars the "most profound letter Paul ever wrote," Colossians warrants a careful, faithful study. In this short, but exciting letter, Paul makes the case for the supremacy of Christ in all things. Best selling author and teacher Warren Wiersbe calls your attention to Paul's essential thoughts on living a complete life—Christ alone—in this easy-to-use commentary on Colossians.

No more dreary three-point sermon outlines! Wiersbe coaches preachers to creatively proclaim the living Word so hearers experience God's truth changing their lives.

This observation by the great preacher Charles Spurgeon launched Warren Wiersbe on a study of the lives of prominent Bible characters. Interested in more than biographical facts, Wiersbe sought out the themes of each person's life as reflected in the pages of Scripture. How does the Bible summarize this person's life? What is the key to understanding his or her character? How do I see my own life reflected in the life of this person? Here is the fruit of this study. A popular reference book with a pastoral and devotional flavor, Life Sentences takes you into the lives of sixty-three men and women who encountered an extraordinary God. For each, Wiersbe identifies a verse that sums up that individual's life and then reflects on the lessons to be learned, both positive and negative. Not only will you be challenged by these examples, you will be stimulated to consider what your "life sentence" will be. Life Sentences is an ideal reference tool for teachers, Bible study leaders, and preachers seeking to bring Bible characters to life. But it is written from a pastor's heart, so it also makes ideal devotional reading for anyone who wants to more clearly understand the Bible and apply it to life.

The book of Revelation stands out as one of the most intriguing, yet least understood books of the Bible. From the sobering letters to the seven churches to the amazing visions and epic battles, millions of Christians have toiled to understand the meaning of this mysterious book. Trust Dr. Warren Wiersbe, pastor and Bible teacher for over forty years, to take you chapter-by-chapter through the various topics in this important book, all the while, keeping a steady eye on the main message of the book: Christ is the victor, and in Christ, we are also victorious. Part of Dr. Wiersbe's best-selling "Be" Commentary series, Be Victorious has now been updated with new content and study questions to aid your in-depth analysis and application of these important truths. Don't miss the chance to get a sneak peak at Christ's decisive victory.
